Overview

Overlooking the Camberwell Sports Ground, Regis Shenley Manor aged care facility offers a peaceful setting with central sundrenched courtyards and walkways taking in the lush gardens. Situated just 200 metres from the famed Camberwell Junction and vibrant Burke Road shopping and cafe strip, Shenley Manor is set on a wide tree-lined street well served by trams and buses.

Shenley Manor has a dynamic activity program to suit all with various activity rooms for large facility events, and smaller cosy lounges for more intimate gatherings.

Like all Regis aged care facilities, Shenley Manor offers innovative aged care services including ageing-in-place, dementia care, palliative care and respite care. Everything we do is aimed at living well. As an example, our unique Mosaic system is a discreet way of monitoring care needs whilst focusing on personal interests.

Regis creates a personalised aged care lifestyle program for each resident and encourages the whole family to be involved.

At Regis we know good food is central to life. We have on site cooks in every aged care facility and home-style meals and baked treats are prepared daily.

It takes a special person to work in aged care and we hire the best people we can. Our people are our greatest asset and we ensure they get the support they need.

Regis Shenley Manor is a Regis Club Services facility offering hotel-style services, a range of Club Services rooms and first class amenities. All 60 beds are in single rooms with en suites, some with spacious balconies, and feature contemporary

furnishings and finishes.
